PLAINTIFF’S SECOND STATUS REPORT PURSUANT TO COURT’S ORDER OF 05/11/11 [DOC. NO. 72]

Plaintiff submits this status report pursuant to the Court’s Order of May 11, 2011. [Doc. No. 72].¹

Introduction

Plaintiff filed this action on January 10, 2011 asserting claims for copyright infringement against 5829 “John Doe” defendants for sharing Plaintiff’s copyrighted film over the internet using a BitTorrent peer-to-peer file sharing protocol. See generally Complaint [Doc. 1]. At the time of filing its Complaint, Plaintiff was only able to identify the Doe Defendants by their Internet Protocol (“IP”) and the date and time of alleged infringement. The only way that Plaintiff can determine Defendants’ actual names is from the Internet Service Providers (“ISPs”) to which Defendants subscribe and from which Defendants obtain Internet access, as this information is readily available to the ISPs from documents they keep in the regular course of business.

On February 3, 2011, the Court granted Plaintiff’s Motion for Leave to Take Discovery Prior to the Rule 26(f) Conference. [Doc. No. 6]. The following day, after the Court’s Order

¹ Inasmuch as no Defendants have been named individually undersigned counsel did not serve this pleading on any Defendants.

approving Plaintiff to conduct discovery, Plaintiff confirmed various ISPs as potential subjects of discovery requests. Pursuant to the Court's Order, on February 4, 2011, Plaintiff issued service of subpoenas to all ISPs that are known to be potential subjects of discovery requests in this matter to identify the Doe Defendants.

On April 22, 2011, Plaintiff filed a Status Report reflecting that Plaintiff had identified 797 of the John Doe Defendants as of April 15, 2011. The April 22, 2011 Status Report also reflected that 320 John Doe Defendants could not be identified due to the lack of available information from an ISP.

On May 11, 2011, the Court issued an Order [Doc. 72] requiring the Plaintiff to file a status report indicating: (1) which of the John Doe Defendants have been dismissed; (2) which of the John Doe Defendants have been identified as of May 20, 2011; (3) which of the John Doe Defendants remain the subjects of pending subpoenas; and (4) which of the John Doe Defendants cannot be named due to lack of available information from an ISP.

On May 24, 2011, the Court issued an Order [Doc. 86] pursuant to Federal Rule of Civil Procedure 4(m) dismissing without prejudice those John Doe Defendants that had been identified but not served and those John Doe Defendants that could not be identified due to the lack of available information from an ISP.

Status Report

Pursuant to the Court's Order of May 11, 2011 [Doc. 72] the Plaintiff is required herein to indicate: (1) which of the John Doe Defendants have been dismissed; (2) which of the John Doe Defendants have been identified as of May 20, 2011; (3) which of the John Doe Defendants remain the subjects of pending subpoenas; and (4) which of the John Doe Defendants cannot be

named due to lack of available information from an ISP. Plaintiff sets forth the information as required by the Court's May 11, 2011 Order [Doc. 72] below:
